

# The 2018 Tennessee Carriage Driving High Point Awards

## Point-qualifying competitions:

May 12, 2018 – NCA Driving Derby, Olive Branch, MS (tentative)

June 16, 2018 - MTCC Schooling Driving Event, Shelbyville

September TBD, 2018 – MTCC Driving Derby, Franklin

October 19, 2018 – NCA Driving Derby at NCC, Germantown

## 6 Divisions:

Training Horse, Training Pony

Preliminary Horse, Preliminary Pony

Intermediate Horse, Intermediate Pony

## Points:

Points will be recorded from all 4 competitions, but lowest score for each Horse & Driver will be dropped, meaning that at most, scores from 3 shows will be used. Ties will be broken by coin toss.

If any competition does not hold a specific division, but you are legitimately allowed to enter another division, the point score will be used, but in the highest division level entered across all the shows. For example, if a Driving Derby only offers a “Preliminary+” division, but you have entered Intermediate divisions in other areas (NCC Derby, MTCC Schooling Event) then your Preliminary+ score will be used in the year-end Intermediate total.

Points awarded as follows, based on entries in class.

# of entries	1 <sup>st</sup> Place pts	2 <sup>nd</sup> Place pts	3 <sup>rd</sup> Place pts	4 <sup>th</sup> Place pts	5 <sup>th</sup> Place pts	6 <sup>th</sup> Place pts
6+	7	5	3	2	1	0.5
5	4	3	2	1	0.5	
4	3	4	1	0.5		
3	2	1	0.5			
2	1	0.5				
1	0.5
